

CV - Yutong Shao

1. Personal Information

Name: Yutong Shao

Gender: Male

Mobile: 858-203-8213

Email: yshao@eng.ucsd.edu

Skype: +8618501231456

2. Education

09/2018 - (now) Jacobs School of Engineering, UC San Diego

Degree: Ph.D. (in progress)

Major: Computer Science

09/2014 - 07/2018 School of Electronics Engineering and Computer Science,
Peking University

Degree: B.S., with honor

Major: Computer Science

3. Academic Experience

- (1) Stock Price Prediction Based on Deep Learning, Bachelor thesis under the supervision of Prof. Zhihong Deng, Spring 2018.
- (2) Automatic Headline Generation based on Deep Learning, undergraduate research program under the supervision of Prof. Zhihong Deng, Autumn 2017.
- (3) Evaluating Machine Translation Performance on Chinese Idioms with a Blacklist Method, research program at the University of Edinburgh, Scotland, Summer 2017. Paper accepted by LREC 2018.
- (4) SemEval Contest, Task 1 (Semantic Textual Similarity), Autumn 2016, ranked 8 out of 32 in the En-En subtask.
- (5) The Methods of Predicting and Preventing from Disastrous Stampede Accidents, "Jiangzhehan" Mathematical Modeling Contest, Spring 2015, the Second Prize.

4. Publications

[1] Y. Shao, R. Sennrich, B. L. Webber, and F. Fancellu. Evaluating machine translation performance on chinese idioms with a blacklist method. In LREC. European Language Resources Association (ELRA), 2018.

5. Honors

2017 Merit Student, Peking University
2017 Outstanding Undergraduate Research Project, Peking University
2017 The Third Prize, ACM Campus Contest, Peking University
2016 TP-Link Scholarship, Peking University
2016 The Third Prize, ACM Campus Contest, Peking University
2015 Suzhou Industrial Park Scholarship, Peking University
2015 The Second Prize, ACM Campus Contest, Peking University
2015 The Second Prize, "Jiangzehan" Mathematical Modeling Contest, Peking University

6. Extracurricular Activities

2017 Served as a teaching assistant in the course "Algorithm Design and Analysis".
2015 Participated in the National Youth Competition of Contract Bridge (U25 group) on the Beijing Team, ranked 6th.
2014 Participated in the "The Freshman Cup" and "Peking University Cup" of Contract Bridge in Peking University, and both won the champion.
2014 Participated in the YNABC (North American Bridge Championships for the Youth) in Las Vegas.
2012 Participated in the YNABC in Philadelphia.
